LETTER FROM THE BOARD

Happy Winter from your HOA Board!

A reminder as we head into Winter that clearing sidewalks of snow is the homeowners' responsibility to clear the sidewalks adjacent to their yard. Lets keep the sidewalks safe for all of our walkers, children and adults alike.

As 2024 comes to a close, we want to remind you to pay your HOA Dues. They are only \$230 / year. The annual assessment invoice comes out in December and is due on January 1, 2025 and late if not paid by January 31, 2025. If you don't see an assessment, you still owe \$230 if you own a home in High Meadow. They are easy to pay, you can pay online at ciranet.com - just go to the resident portal. Call 866-473-2573 if you need your account number or other information. Please remember to pay as attorney and late fees start accruing if you do not pay by the end of January, and those fees can add up fast.

AND we have a new Board to introduce. The Board of Directors are the following:

President Pat Kirchner 630-877-5219

Secretary Jen Serdiuk 708-774-6513

Vice President Ken Folisi 630-710-1887

Director Ranjan Abraham 408-685-1655

Treasurer George Howard 630-901-6631

Meetings will be at 7pm on the 3rd Thursday of months: **February - April - June - August - October**
(Locations TBD)

WE HAD AN AMAZING TURNOUT FOR OUR FIRST ANNUAL **TRUNK OR TREAT & MOVIE IN THE PARK** HUGE THANK YOU TO THE PTA & THE HOA FOR HOSTING THE EVENTS *Be on the lookout for Santa coming to South Pointe.*

BIG or small we save them ALL

My name is Elizabeth, and I am a long time High Meadow resident and also a volunteer with Wags 2 Wishes - a licensed, 501(C)3 not for profit ALL BREED Animal Rescue. Rescue was started by Terri Crotty-Newberry in 2013. It is located just 10 minutes south of High Meadow in Plainfield. Wags 2 Wishes has a mission to rescue abused, sick, abandoned and forgotten animals facing euthanasia due to overcrowding or being too medically intense for the current facility/owner. They provide a loving and secure transition into our rescue program. While some medical and neglect cases enter Wag's foster home program, many of the animals they take in can enter Wag's Rescue Facility and find their loving forever home in just a short time. Since opening its doors, Wags has saved over 5,000 dogs. As a volunteer, I get to see complete transformations from neglected dogs to happy tail wagging members of new forever families.

Meet BUDDY Male | American Bully | 4 years old | 82 lbs.

Buddy's story is one of heartbreaking abandonment and resilience. Left behind when his owners moved out, he spent days trapped in an empty house, unaware that his life had been turned upside down. When workers unknowingly released him, Buddy found himself on the streets alone. A neighbor saw him get out, but no one came for him. One lucky day, he was spotted standing in the middle of a busy road, narrowly avoiding passing cars, when a passerby stopped their van for him. Buddy came straight to them, desperate for help, and gratefully jumped into the car.

As if his journey wasn't difficult enough, Buddy has since started showing the Wags team he has seizures. Now, in the care of Wags 2 Wishes, he's receiving the 24/7 assistance and monitoring he desperately needs, while vets work to find the right treatment to manage his epilepsy. Despite his tough past, Buddy's spirit remains hopeful, and with the right care, he can finally know the peace and love he deserves. If you are interested in meeting Buddy or any of Wags adoptable dogs, please go to www.w2wrescue.com and click on Apply to Adopt.

Wags 2 Wishes is a volunteer-based organization. Each of us has our own families, jobs and responsibilities but we find time to help the helpless dogs that find their way to our rescue. It truly takes a village to save them. Everyone is dedicated to the safety and well-being of the animals in our care. While cleaning dog poop, kennels, and floors and doing loads and loads of laundry is not a glamorous way to spend your free time, it is very rewarding. Wags has a very high adoption rate which makes all of us very happy, but often tears are shed as we say goodbye to our buddies. Our adopters stay in touch with us, and we can see what great new homes and families the pups have. Our organization provides volunteering opportunities for all ages from youth through seniors. To apply to become one of volunteers please go to: www.w2wrescue.com/volunteer.html

While we rely on donations from people like you, we also opened a RESALE SHOP that offers high quality gently used furniture and home goods to provide financial support for veterinary bills, dog medicine, food and other necessities. Come shop at the Resale Shop today! Donations to resale are accepted and can be arranged by contacting us at 815-254-3110 or w2wresaleshop@gmail.com

ADOPT, DONATE, VOLUNTEER

NEIGHBORHOOD REMINDERS

LEAF COLLECTION OPTIONS

THE CITY OF NAPERVILLE OFFERS TWO LEAF COLLECTION OPTIONS:

1. Free Bagged (no sticker required) Leaf Collection Program: Allows residents to dispose of bagged leaves and yard waste weekly. The program runs from November 4 to December 13, 2024.

2. Bulk Curbside Collection: Every neighborhood has three leaf disposal opportunities each autumn. Bulk curbside collection is scheduled to take place between:

- Monday, October 21
- Monday, November 4
- Monday, November 18

The program concludes Nov 27, 2024.

There will be one pass made for each collection cycle. Place leaves at the curb at the beginning of each cycle.

Between Nov. 4 and Dec. 13, 2024, the City offers a free leaf bagged and yard waste collection program. During this time, homeowners may dispose of yard waste and leaves in 32-gallon paper yard waste bags free of charge.

The burning of leaves is not permitted within City limits, but residents can mulch and compost leaves, grass clips, etc.

CITY OF NAPERVILLE SNOW PLOWING AND SALTING

STREETS City crews will begin applying salt to roadways when either snow or ice begins to accumulate and cause unsafe traveling conditions. The city applies brine solution to major roadways in advance of a storm to provide additional safety. The use of rock salt is the most efficient and costeffective method of snow and ice control for small amounts of winter precipitation. The amount used is based on total accumulation, temperature and traffic conditions. See which streets have been salted or plowed in Naperville with the City's interactive snow removal map — naperville.il.us/services/snowandiceremoval/snowremoval/

DRIVEWAYS High Meadow residents are responsible for shoveling their driveways. City crews try to avoid putting large piles of snow in front of driveways; however, snowplows have to push the snow out of the road to allow for safe travel. Please place snow in your yard and not in the street, as putting it in the street causes slippery conditions for both motorists and pedestrians and is against City code.

SIDEWALKS Each High Meadow resident is responsible for the removal of snow and ice from the sidewalk in front and around their home. The sidewalks should be cleared of snow and ice within 48 hours following the weather event, per City code. We have many homeowners walking their pets and our children also use the sidewalks during the winter months. Be a good neighbor and help clear the way. Please also clear snow around fire hydrants to aid firefighters and around meters to aid utility meter readers.

SALT CONSERVATION Naperville is committed to the safety of our motorists as well as stewardship of the DuPage River, our environment and the Illinois Environmental Protection Agency (IEPA). The City has maintained a relatively steady salt application ratio over the past few years. Conserving salt usage can help make a big fiscal and environmental difference. High Meadow residents can help in this effort by taking some simple steps to reduce the amount of salt used on your driveways and sidewalks this winter. Salt works best before snowfall. If you salt once before any snow hits the ground, you won't have to salt again. This also makes shoveling easier. When salting your driveway or sidewalk, remember that more salt does not mean more melting. A 12ounce coffee mug of salt should be enough to cover 12 squares of sidewalks, or about 300 square feet. Most salt stops working if the temperature is under 15F degrees.

KEEP IT CLEAR

The rainy season is upon us, please keep an eye on your storm drains and clear away debris to reduce flooding. Ponding of storm water within a yard often occurs due to clogged storm sewer inlets. If there is an inlet in your yard, please keep this drain clear of all obstructions including, leaves, grass and debris.

A Safer NAPER

Sharing timely crime prevention information relevant to residents to improve awareness and crime prevention efforts throughout the City of Naperville. Please pass this information on to your fellow neighbors through your HOA's newsletter, email distribution list or social media sites.

SHOP SMART

WHETHER YOU SHOP ONLINE OR IN PERSON THIS HOLIDAY SEASON, THE NAPERVILLE POLICE DEPARTMENT WANTS TO REMIND EVERYONE TO BE SAFE. WHEN SHOPPING ONLINE MAKE SURE TO:

- Use familiar websites: Start at a trusted site rather than shopping with a search engine. Beware of misspellings or sites using a different top-level domain (.net instead of .com, for example).
- Use credit cards and secure payment services instead of debit cards: Credit cards and secure payment services are safer than debit cards and offer consumers additional protection when shopping online.
- Look for the lock: Never use your credit card to buy anything online from a site that doesn't have SSL (secure sockets layer) encryption installed. An SSL site will start with HTTPS:// (instead of just HTTP://).
- Never use public Wi-Fi to make purchases: One of the biggest risks associated with using public Wi-Fi is that it can be unsecured and vulnerable to attack.
- Check banking statements: Go online regularly during the holiday season and look at electronic credit card, debit card and checking account statements for fraudulent charges.
- Use strong passwords: Use a unique password for each of your accounts.

AFTER SHOPPING ONLINE CONSIDER THESE TIPS WHEN HAVING PACKAGES DELIVERED TO YOUR HOME:

- Schedule packages to arrive when you're home: Have your orders delivered on days that you are home. Many shipping companies allow you to request a delivery time or time frame.
- Trusted neighbor: Enable a trusted neighbor to pick up packages shortly after they are delivered.
- Enable notifications sent to your smartphone. Receive tracking alerts and delivery information to quickly retrieve your package once it's delivered.
- Require signature for delivery: When you want to be sure important or valuable items are not left unattended.
- Have packages delivered to another location: Consider alternative delivery locations such as a workplace or office, a family member, neighbors or smart lockers.
- Leave delivery instructions: Request your packages be placed in a less conspicuous spot, such as a side or back door or behind a planter, or a location not visible from the street.

WHEN SHOPPING IN STORE MAKE SURE TO:

- Be aware of your surroundings: Know what is going on around you and pay attention to your surroundings. Put your cell phone away and trust your intuition if something doesn't look or feel right.
- Guard your purse/wallet: Always keep your purse closed and close to your body, wearing across your body if possible. Never leave a purse on the back of a chair or unattended in your shopping cart.
- Be smart with cash and credit cards: Avoid carrying large amounts of cash and leave credit cards that you never use at home.
- Be ready: Walk with confidence and purpose and have your keys ready before you get to your vehicle. Don't overload yourself with packages, keeping your hands free.
- Lock it or lose it: Don't forget to lock your vehicle, keeping any valuables at home or out of sight by placing them in the trunk or using stow-and-go seating before arriving at your destination.

For more information on shopping safety this holiday season, visit <https://www.naperville.il.us/ASaferNaper>.

We encourage your association to share and like our Facebook and Twitter accounts and urge your neighbors to sign up for Naper Notify for more time sensitive news and information. Information can also be found on the City of Naperville's website: www.naperville.il.us/npd.

NOVEMBER EVENTS

NOVEMBER 9

PUMPKIN SMASH
RON ORY COMMUNITY GARDEN
PLOTS | 9AM - 12PM

Keep your pumpkins and jack-o-lanterns out of the landfill by composting them with us!

NOVEMBER 21

**CRAFT BY BEER:
ADVENT CALENDAR**
NAPER SETTLEMENT | 7-9 PM

\$20/ADULT (21+)
PRE-REGISTRATION REQUIRED
MUST BE 21+ TO PARTICIPATE

Join us for an evening of joy, laughter, and your favorite adult beverage as you unleash your festive creativity as you personalize each day of your advent calendar with your own unique touch. Cheers to a crafty and brewtiful holiday! For more info and registration, visit: <https://10481a.blackbaudhosting.com/10481a/page.aspx?pid=213&tab=2&txobjid=16a2352d-b996-4560-b1ee-9bd451ba8e44>

NOVEMBER 22

**KIDS NIGHT OUT -
GOBBLE GOBBLE FUN**
NAPER. PARK DISTRICT | 6 - 9PM

Take the night off while your kids enjoy a full evening of fun! Dinner and juice are provided. Kids have their own fun-filled night with a Turkey Hunt, playing Pin The Wattle on the Turkey and participating in a Turkey Trot.

NOVEMBER 23 & 24

**CROSS COUNTRY
TURKEY SHOOT 2024**

NAPERBROOK GOLF COURSE
NOV 23 | 10AM

SPRINGBROOK GOLF COURSE
NOV 24 | 10AM

**REGISTRATION LOTTERY:
9AM SAT, NOV 16 @ NAPERBROOK
GOLF COURSE**

Everyone is eligible to play in this festive, holiday golf event that tends to wrap-up the golf season. This fun, 9-hole scramble format has 5-person teams playing in a "cross country" set up. All groups will need to be fivesomes and full payment for the entire group is due at registration. All participants receive a turkey, and as part of the tradition of the Turkey Shoot, players that don't wish to receive a turkey can donate the value of the turkey to a local charitable organization. Operation Support Our Troops – a Naperville-based organization – to be the beneficiary of donations from the 2024 Turkey Shoot. For more info, visit: golfnaperville.org/tournament-schedule.

NOVEMBER 29

**HOLIDAY PARADE
OF LIGHTS**
DOWNTOWN NAPERVILLE | 7PM

The parade will travel through the heart of downtown Naperville under the beautiful twinkling lights. Distinctly focused on delighting children of all ages, parade goers will enjoy an evening of brightly lit floats, local music performers, hometown parade entrants, and Santa Claus will appear. The parade is set to step off near Centennial Beach at 7 p.m. Floats will make their way down Webster and then west down Van Buren. The parade will come to a close at Van Buren and Eagle.

**THANKSGIVING - NEW YEAR'S
NAPER LIGHTS**
WATER ST. DOWNTOWN
NAPERVILLE | 4-10PM

A Free Winter Wonderland From Rotary Club of Naperville Sunrise. Enjoy this free dazzling display of holiday lights and sound as you stroll down Water Street, Foyo Plaza, Jaycees Park and the Riverwalk in Downtown Naperville! This our gift to the community from the Rotary Club of Naperville Sunrise. Visit Naper Lights to get your 3D Viewing glasses!

LIVE SANTA BY THE BIG TREE:
Nov 24, 25, 26 & Dec 23 | 5:30-8:30PM

SAFETY REMINDERS

PORCH PIRATES

How You Can Prevent It From Happening to You

Nearly a third of Americans have been victims of porch pirates. With so many packages disappearing from doorsteps, here's how you can make sure that the package you ordered makes it into your hands.

With the holidays fast approaching, stealing packages will be on the rise. It is estimated that 1.7 million packages are lost or stolen from their porch, front door or mailbox every day in the US. It is not surprising that we are wary of leaving packages on the porch for more than a few minutes. Porch Piracy is a huge issue and getting refunds is difficult. About half of porch pirate victims were refunded when reporting a stolen package.

More than half of the packages are stolen during broad daylight in the afternoon. Due to its dominance in the market, over 52% of packages stolen were Amazon Prime packages, followed by USPS, UPS and FedEx. These stolen packages tend to be high value items.

So how do you protect your parcels?

- Well, the obvious answer is to be at home when the package is dropped off. Work from home if you can.
- See if it is possible to have the delivery arrive at a time you choose. If you know when your package is scheduled to arrive, then you will stand a better chance of being around when it is delivered.
- Amazon as well as UPS and FedEx offer delivery alerts at the time a package is delivered. Many delivery drivers put the package at the front door, take a photo of the image to prove it was left there, and then get back into their van to get to their next drop off. Make sure you pick up the package as soon as possible after it is dropped off. Or if you are not home, have someone pick it up for you.
- A delivery option may be to give instructions on where to drop the package off, or get the delivery driver to leave it in a safe place.

- Have your packages sent to your workplace, a friend, or a family member. Consider requiring a signature at delivery.
- Install an outdoor security camera or video doorbell. You will receive an alert when the package is dropped off, and you could get a neighbor or work from home friend pick up your package for you.
- If you are not going to be around to receive an Amazon package, consider having the package sent to an Amazon Hub Locker, and collect your packages when it is convenient to you. The two nearest Amazon Hub Lockers are located at the Staples on Route 59 (between 75th Street and Montgomery Road) indoors during business hours; or the hub locker behind the Speedway gas station at Route 59 and 95th Street (facing Wendy's) which is available 24 hours.

To learn more about this service, either Google, or in the Amazon App, search "hub locker locations near me."

If you are a victim of a package theft, file a police report with the Naperville Police Department. Also, alert your neighbors of the incident so they can be vigilant.

Amazon Hub Locker inside of Staples on Rt. 59. You gain access to your package through the Amazon App.

Outside Amazon Hub Locker located behind Speedway. You may access your package with a provided code.

IF YOU OBSERVE SOMETHING SUSPICIOUS TAKING PLACE ON YOUR STREET, PLEASE CALL THE NAPERVILLE POLICE DEPARTMENT AND ALERT THEM OF YOUR CONCERN.

LEAF-RAKING LESSONS

Five fall cleanup hacks.

Raking leaves is a necessary autumn chore, but it doesn't have to be a tedious task. With our strategies, tips, and techniques, you can make raking a breeze—and have more time to enjoy the crisp air and colorful foliage. Get ready to uncover secrets to help you conquer your yard with confidence this fall.

1. Choose your rake wisely. The first step to successful leaf raking is selecting the best tool for the job. Not all rakes are equal, and you'll need to think about the size and terrain of your yard when weighing your options. While a wide, fan-shaped rake is ideal for large, open spaces, a narrower rake may be easier to maneuver in tight corners and around obstacles. Nevertheless, opt for a lightweight rake to reduce strain on your wrists and back, and consider investing in one with flexible, "no-clog" tines to quickly gather and remove leaves.

2. Time it right. Timing is everything. If possible, wait until trees and shrubs have shed most of their leaves to avoid doing the same work twice. Always rake before the first frost or snowfall of the season on a clear day, and ensure the leaves are dry. Excessive fallen leaf matter or wet or dew-drenched leaves can smother grass and inhibit growth of a winter lawn.

3. Take advantage of the wind. Did you know you can harness the power of nature to simplify this daunting endeavor? If you're tackling the duty on a blustery day, rake leaves in the direction the wind is blowing. Start at the downwind edge of your yard and make your way toward the opposite end, letting the gusts carry leaves along as you rake. When you go with the wind, you won't expend as much energy, and leaves won't blow back into areas you've already cleaned.

4. Use a tarp. Instead of raking leaves into piles and bagging them as you go, rake the leaves onto a tarp. You can drag the tarp around and save bagging or disposing of leaves until the very end. Plus, if your raking stretches over multiple days (we get busy, it happens), you can tie the tarp shut so leaves won't escape.

5. Divide and conquer. Staring at a yard full of leaves can be overwhelming. However, dividing your yard into sections can make raking more manageable. Begin with high-traffic spots, such as walkways, driveways, and patios. Then, separate the bulk of your yard into quadrants, raking the leaves in each quadrant into rows. By focusing on smaller parts and planning a grid, you'll stay motivated and make steady progress in achieving a leaf-free lawn.

November Sudoku

How to solve sudoku puzzles

No math is required to solve a sudoku. You only need logic and patience.

Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only

8	5	3	4	2	7	9	1	6
4	6	7	3	9	1	5	2	8
9	1	2	8	5	6	7	3	4
3	2	1	5	8	4	6	7	9
